**COUNCIL AGENDA**

February 13, 2018

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Appointment to the Lakewood Project Shepherd Board

**INTRODUCTION**

The Lakewood Project Shepherd nonprofit corporation has a Board of Directors comprised of seven members. Three represent the Lakewood Rotary Club, three represent the City of Lakewood Municipality, and the remaining member comes from the Lakewood Community. Board members serve three-year terms.

**STATEMENT OF FACTS**

Diane Perkin, Lakewood's Director of Administrative Services and board member of Project Shepherd, retired effective January 12, 2018. Jose Gomez has filled the position as the new Director of Administrative Services of the City of Lakewood.

**SUMMARY**

It is recommended that the city Council of the City of Lakewood appoint Jose Gomez as a new member of the Project Shepherd Board of Directors for a term of three years.

**COUNCIL AGENDA**

February 13, 2018

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Adoption of Standard Specifications for Public Works Construction–2018 Edition

**INTRODUCTION**

The Standard Specifications for Public Works Construction has been used by the City of Lakewood for many years as a standard for work within the public right-of-way. Adoption of the new 2018 edition will ensure the continued use of a recognized standard.

**STATEMENT OF FACT**

The Standard Specifications for Public Works Construction, popularly known as the “Greenbook,” was originally published in 1967. The Standard Specifications are produced by a mutual benefit corporation whose board of directors is comprised of five members representing the American Public Works Association and four from various contractor associations. The 2018 edition is the 18<sup>th</sup> edition of the book, which is updated and republished every three years. In each of the two years between publication of a new Greenbook edition, the changes which have been researched and approved during the preceding year, are published as a supplement to amend the current edition.

The Greenbook is designed to aid in furthering uniformity of plans and specifications accepted and used by those involved in public works construction and to take such other steps as are designed to promote more competitive bidding by contractors. The Greenbook provides specifications that have general applicability to public works projects and is used extensively throughout southern California. Adoption of the Standard Specifications also provides a uniform standard to be followed for permit work in the public right-of-way by private individuals and developers and the authority to require adherence to the standards.

**RECOMMENDATION**

That the City Council adopt the attached resolution which adopts the 2018 edition of the Standard Specifications for Public Works Construction and subsequent amending supplements.

RESOLUTION NO. 2018-1

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
LAKEWOOD ADOPTING THE 2018 EDITION OF THE  
STANDARD SPECIFICATIONS FOR PUBLIC WORKS  
CONSTRUCTION

THE CITY COUNCIL OF THE CITY OF LAKEWOOD DOES RESOLVE AS FOLLOWS:

WHEREAS, the Standard Specifications for Public Works Construction are produced by Public Works Standards, Incorporated, a mutual benefit corporation whose board of directors is comprised of five members representing the American Public Works Association and one each from the Associated General Contractors of California, the Engineering Contractors Association, the Southern California Contractors Association, and Building News, Incorporated; and

WHEREAS, the 2018 edition of the Standard Specifications for Public Works Construction has been published; and

WHEREAS, in each of the two years between publication of a new edition, the changes which have been researched and approved during the preceding year, are published as a supplement to amend the current edition; and

WHEREAS, the Standard Specifications for Public Works Construction are designed to aid in furthering uniformity of plans and specifications accepted and used by those involved in public works construction and to take such other steps as are designed to promote more competitive bidding by contractors.

Now, THEREFORE, the City Council of the City of Lakewood does resolve as follows:

SECTION 1. The Standard Specifications for Public Works Construction, 2018 edition, and subsequent amending supplements are adopted for use within the City of Lakewood; and

SECTION 2. The City Clerk is directed to forward a certified copy of this resolution to the Director of Public Works, County of Los Angeles.

ADOPTED AND APPROVED this 13th day of February, 2018.

**SUBJECT:** Release of Subdivision Improvement Bonds – Parcel Map No. 72930  
Colony Developers, LLC, 11611-11615 216th Street

**STATEMENT OF FACTS**

As required by Section 9228 of the Lakewood Municipal Code, Colony Developers, LLC obtained a bond for on-and off-site improvements in conjunction with the development of a three-unit residential development at 11611-11615 216th Street. Building permits for the project received final approval on January 5, 2017.

All improvements have been completed to satisfaction of the City. The Director of Public Works reports that there are no outstanding concerns with this project. Staff recommends that the City Council:

1. Find that all improvements have been completed as required by the Subdivision Improvement Agreement for Parcel Map No. 72930.
2. Exonerate the following surety bonds:

<u>Bond Type</u>	<u>Bond Number</u>	<u>Bond Amount</u>	<u>Purpose</u>
Faithful Performance	389160-S	\$45,100.00	sewer, sidewalk, curb and gutter, asphalt, concrete, and driveway apron
Laborers & Materialmen	389160-S	\$22,550.00	sewer, sidewalk, curb and gutter, asphalt, concrete, and driveway apron

**RECOMMENDATION**

Staff recommends that the City Council act on recommendations 1 and 2 contained in this report and approve the release of the bonds.

# Public Hearings

**COUNCIL AGENDA**

February 13, 2018

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Bid Award – Mayfair Park Storm Water Capture Project - PW Project 17-09

**INTRODUCTION**

Bids have been received for a project at Mayfair Park that will include the construction of a facility to divert, treat and store urban dry weather run off from the flood control channel and a small portion of the early part of wet weather flow. A portion of the water will be used to irrigate the park with the excess returned to the channel. The project is funded by a grant from Caltrans.

**STATEMENT OF FACT**

The City Council approved a Cooperative Implementation Agreement with Caltrans for a grant of \$15,000,000 on June 14, 2016 for this project. There are no matching funds or cost share required from the City.

On October 11, 2016 the City Council approved Tetra Tech to do the design for this project and authorized Willdan Engineering to provide project management services during the design phase.

The project is budgeted in FY-17 in an amount of \$15,000,000 and a re-allocated amount of \$14,157,303 in the FY18 budget.

The City Clerk received and opened seven bids for the proposed project on January 24, 2018. The Base Bid Amount is the basis to determine the low bidder. The Award Amount is the Base Bid plus additive items to install sod in lieu of seeding in both the baseball and T-ball fields. Following is the bid summary:

<b>RANK</b>	<b>BIDDER</b>	<b>CITY</b>	<b>BASE BID AMT</b>	<b>AWARD AMOUNT</b>
1	Sukut Construction, LLC	Santa Ana	\$10,045,200	\$10,175,200
2	Los Angeles Engineering	Covina	\$10,910,000	\$10,972,000
3	Reyes Construction, Inc.	Pomona	\$11,180,490	\$11,221,290
4	Sully-Miller Contracting	Brea	\$11,898,000	\$12,093,000
5	Environmental Construction	Woodland Hills	\$12,114,857	\$12,253,767
6	Lonerock, Inc.	Irvine	\$13,539,500	\$13,704,500
7	Mike Bubalo Const Co, Inc.	Baldwin Park	\$13,860,000	\$13,985,000

The lowest responsible bidder is Sukut Construction of Santa Ana in the bid amount of \$10,045,200. The contract award amount is \$10,175,200 which includes Additive Bid Items 1 and 2 to install sod in lieu of seeding in both the baseball and T-ball fields. Staff has verified with the

State Contractors License Board that Sukut Construction is properly licensed for the work. References were checked with favorable results.

The consulting engineering firm of Willdan has an agreement with the City of Lakewood to assist with various engineering matters and has submitted a proposal in the amount of \$516,278 to provide project management, contract administration, construction observation and testing and labor compliance services for the project.

Tetra Tech has submitted a proposal to provide design support services during the construction phase in an amount of \$368,200.

Construction is scheduled to begin in May, 2018 and be completed in August, 2019.

### **RECOMMENDATION**

That the City Council:

1. Award a contract for Mayfair Park Storm Water Capture Project - PW Project 17-09 in the amount of \$10,175,200 to Sukut Construction of Santa Ana and authorize the Mayor to sign the contract in a form approved by the City Attorney.
2. Authorize staff to approve a cumulative total of contract change orders, as needed, not to exceed \$1,500,000.
3. Adopt the plans, specifications and working details for Mayfair Park Storm Water Capture Project - PW Project 17-09.
4. Authorize staff to approve Willdan's proposal to provide project management for the "Mayfair Park Storm Water Capture Project - PW Project 17-09" under their existing Agreement for Engineering Services, in an amount of \$516,278.
5. Approve Amendment #4 to Tetra Tech's contract to provide design support services during the construction phase for the "Mayfair Park Storm Water Capture Project - PW Project 17-09" in an amount of \$368,200 and authorize the Mayor to sign the Amendment in a form approved by the City Attorney.

**COUNCIL AGENDA**  
February 13, 2018

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Delay of Bid Award – City Hall Boiler Replacement

**INTRODUCTION**

The award of bid for the City Hall Boiler Replacement was scheduled for February 13, 2018.

**STATEMENT OF FACT**

Due to market conditions, previous commitments, the City’s contract requirements, and the City’s original expedited bidding schedule, two of the three planholders-of-record indicated difficulties and notified the city of their intent not to submit a bid for the project. Staff contacted the two affected bidders to discuss their concerns and determine a set of circumstances that would reduce obstacles to a bid submission. As a result of the discussions, Staff determined it would be in the best interest of the City to postpone the bid due date until February 22, 2018, requiring the bid award to be delayed until the February 27, 2018, City Council meeting.

**RECOMMENDATION**

Staff recommends that the City Council delay the award of the bid until the Council meeting scheduled for February 27, 2018.

## **COUNCIL AGENDA**

February 13, 2018

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Lakewood Youth Hall of Fame

### **INTRODUCTION**

The 37<sup>th</sup> Annual Lakewood Youth Hall of Fame Banquet will be held Monday, February 26, beginning at 6:30 p.m. at The Centre at Sycamore Plaza. The annual program recognizes the athletic achievements of high school and collegiate athletes who live in Lakewood or attend school in Lakewood. Awards will be presented for Performer of the Year in each sport, various Special Achievement awards, including Scholar Athlete of the Year, and the highlight of the event, the crowning of the Athlete of the Year. The Hall of Fame Board of Electors convened January 18, 2018, to select the 2017 Athlete of the Year and honors for other athletes and coaches.

### **PROGRAM AND EVENT COMPONENTS**

The Lakewood Youth Hall of Fame event is a prime example of combining the resources and efforts of public, private and non-profit organizations for a community sports recognition program. The program is sponsored primarily by the City of Lakewood and Piazza Family McDonald's Restaurants. More than a dozen other local businesses and service organizations such as the Rotary Club of Lakewood, and Soroptimist International of Lakewood/Long Beach participate as additional sponsors.

Each year, representatives from Lakewood-based high schools and area colleges, as well as members of the community, are invited to submit nominations and detailed information on athletes' achievements for the consideration of awards. The selection of awards is done by a volunteer panel of community members and school administrators. In addition to Athlete of the Year, the Board of Electors considers nominees for Performer of the Year in 15 sports and seven additional Special Achievement categories. Every year, new honorees are added to the display at the Lakewood Youth Hall of Fame gallery located in the Piazza Family McDonald's restaurant on Woodruff Avenue. In addition to being immortalized in the Hall of Fame at the McDonald's restaurant, state and local elected officials recognize the honorees with certificates of commendation for their accomplishments.

On January 18, the Hall of Fame Board of Electors selected golfer Linyu "Anna" Dong from Saint Joseph High School as the Athlete of the Year. Anna had a stellar year, winning the Del Rey League and CIF Championships among other notable tournaments and honors. She averaged 35 strokes for nine holes last year and matured as a golfer in her senior campaign. Following her local victories, she placed fourth in the Southern California CIF Regional and in a tie for sixth at the state finals, which was played at the world-renowned Pebble Beach Golf Links.

Anna is, in many ways, a unique story even off the golf course. She came to the United States just three years ago as part of Saint Joseph's International Student Program from China. She acclimated to her new environs seamlessly and is respected both in and out of the classroom by her teachers, administrators and peers. Her golfing prowess at even a young age in China allowed her to be one of very few youth who are

Page 2

privileged to attend a school with an athletic program in the country. Clearly, she has demonstrated that she is deserving of this honor and the Lakewood Youth Hall of Fame is proud to once again recognize both an athlete and a young woman of upstanding character, diversity and determination.

**SUMMARY**

On Monday, February 26, 2018, the 37<sup>th</sup> Annual Lakewood Youth Hall of Fame Banquet will be held at The Centre at Sycamore Plaza honoring young Lakewood athletes for notable achievements in sports seasons concluding in the 2017 calendar year.

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Intergovernmental Relations Committee Recommendations:  
Annual Statement of Intergovernmental Relations Goals

### **INTRODUCTION**

The City Council's Intergovernmental Relations Committee has completed its discussions, and thereby recommends intergovernmental relations goals for 2018. The goals establish the work program of the City Council's Intergovernmental Relations Committee and the platform for city advocacy meetings and trips. The goals also focus on the State Capitol efforts of Anthony, Jason and Paul Gonsalves, the city's Sacramento-based professional legislative representatives. The annual goals authorize the city's active participation in the coalitions of cities and other agencies that work to affect federal and state decision-making.

### **STATEMENT OF FACTS**

Intergovernmental priorities materialize throughout the legislative session based upon the goals adopted by the City Council, in addition to issues that the city is already working on. Federal intergovernmental goals for 2018 include supporting continued funding for the Community Development Block Grant (CDBG), the Community Oriented Policing Services (COPS), and the Justice Assistance Grant (JAG) programs; supporting funding for water, wastewater, and stormwater infrastructure, flood prevention, and water resources planning and development; protecting the city's authority over control of the public right of way; and more generally, supporting funding for projects that improve the quality of life in the city.

On the state side, goals include protecting the city's right to contract for services; supporting legislation that protects local government revenue from being taken by the state; supporting legislation that provides public safety funding and resources; supporting legislation that provides tools and resources to address challenges such as homelessness, mental health and drug rehabilitation; and supporting legislation that provides for tax increment financing.

Regionally, the city will continue to support legislation, programs, and funding that promote enhanced law enforcement services in the community, additional homelessness resources and stormwater funding.

For 2018, the Intergovernmental Relations Committee submits the following goals:

Except as otherwise noted in this statement or as modified by the City Council's Intergovernmental Relations Committee or by the City Council, the City of Lakewood, in its intergovernmental and legislative advocacy activities, shall monitor the annual legislative programs of the following organizations:

**Federal**

- American Planning Association
- American Public Works Association
- American Water Works Association
- International Council of Shopping Centers
- National Recreation and Parks Association
- National League of Cities
- National Association of Telecommunications Officers and Advisors (NATOA)
- U.S. Conference of Mayors

**State**

- Association of California Water Agencies
- California Association of Local Economic Development
- California Building Officials
- California Contract Cities Association
- California Municipal Revenue and Tax Association
- California Municipal Utilities Association
- California Park & Recreation Society
- League of California Cities

**Regional**

- Central Basin Water Association
- Coalition for Practical Regulation
- Gateway Cities Council of Governments
- Gateway Water Management Authority
- Los Angeles County Sheriff's Department
- Metropolitan Transportation Authority
- Southern California Chapter of NATOA
- Southeast Water Coalition
- Southern California Association of Governments
- California Joint Powers Insurance Authority
- Greater Los Angeles County Vector Control District

**Federal**

**Support**

1. Preservation and enhancement of funding sources for cities
2. Preservation and enhancement of local control

3. Continued funding for the items below:
  - Community Development Block Grant (CDBG) program
  - Community Oriented Policing Services (COPS) program
  - Justice Assistance Grant (JAG) program
  - Public, Educational, and Government (PEG) community access television
  - Safe drinking water research by the United States Environmental Protection Agency (USEPA) and Water Research Foundation
4. Funding for projects that improve the quality of life in the city
5. Legislation that provides for greater protection to victims of crime, and accountability in criminal prosecution and sentencing
6. Funding for parks, trails, open spaces, and recreation services and facilities
7. Long-term reauthorization of the federal highway program and ongoing and sustainable transportation infrastructure funding
8. Legislation that provides funding for water, wastewater, and stormwater infrastructure; flood prevention, water resources planning and development; and water quality improvement
9. Legislation that preserves municipal authority over the public right-of-way including fair and reasonable compensation for the use of the right-of-way
10. Legislation that leads to job creation in the region
11. Legislation that recognizes the importance of sales and use tax to local municipalities
12. Preservation of proper authority to exercise eminent domain when it is necessary to carry out projects that benefit the public good

### **Oppose**

1. Water quality mandates not based on “good science” and stormwater mandates for which funding is not provided

2. Federal intrusions upon local government's authority over control of the public right of way.
3. Legislation that would make local government more dependent on the federal government for financial stability
4. Regulations and legislation that erodes or eliminates local government authority regarding siting of cellular communications towers or transmission sites
5. Impractical, unreasonable mandates for congestion management and restrictions on driving and parking private vehicles
6. Unnecessary modifications to the Los Angeles County Flood Control conveyance system, including the Los Angeles and San Gabriel Rivers, that could require properties to purchase federal flood insurance
7. Federal Emergency Management Agency (FEMA) flood insurance reforms to require properties in residual risk areas, those protected by dams or levees, to purchase flood insurance even when the man-made structures are certified to provide at least 100-year protection

## **State**

### **Support**

1. The provision of municipal services through contracting
2. Preservation and enhancement of local control
3. Legislation that further protects local government revenue from being taken, confiscated, shifted, diverted or otherwise used to fund State government operations and responsibilities.
4. Funding for projects that improve the quality of life in the city
5. Legislation and funding that promote enhanced law enforcement services in the community
6. Legislation that provides for greater protection to victims of crime and accountability in criminal prosecution and sentencing

7. Examination of the state's criminal justice system, specifically residual concerns with AB 109, Propositions 47 and 57 and its effects on crime rates in Lakewood
8. Legislation that provides additional tools and resources to address challenges such as homelessness, mental health, and drug rehabilitation among other things
9. Legislation to protect the community from sex offenders
10. Funding for parks, trails, open spaces, and recreation services and facilities
11. Reasonable reform of local government pension systems that is respectful of local control and local collective bargaining processes
12. Legislation that enhances community control of public education
13. Legislation that encourages sustainable economic development for cities to create jobs and improve the economy
14. Ongoing and sustainable transportation infrastructure funding
15. Legislation that provides funding for water, wastewater, and stormwater infrastructure; flood prevention, water resources planning and development; and water quality improvement.
