Larry was the founder of the Lakewood Youth Sports Hall of Fame program, the President of the California Joint Powers Insurance Authority Executive Committee, and active in community organizations. He stated that he had served with Larry on the City Council for the past ten years and knew him to be a fierce defender of the quality of life in Lakewood.

Mayor Van Nostran stated he was grateful to the voters of Lakewood for demonstrating their trust in him by re-electing him to another term of office and thanked his colleagues for their confidence in selecting him for the office Mayor. He thanked the City staff for their work and commitment that contributed to the stability and success of Lakewood, especially City Manager Howard Chambers. He expressed his determination to work as a team with his City Council colleagues to meet the challenges of the coming year, such as: job losses affecting Lakewood families; State and Federal budget deficits; State takeaways of local revenue; declining support for neighborhood schools and loss of local control over neighborhoods. He reviewed his priorities for the coming year as: public safety; neighborhood preservation; transparency; economic development; and reducing outrageous regulations. He concluded by stating that regardless of the challenges, he was not discouraged because Lakewood had one of the finest law enforcement teams in the nation; despite the recession, had growing retail and restaurant sectors; had a wonderful, diverse population with active volunteers; and had a city government that listened and responded to the community.
